Fall 2015

Fall 2015 NetGurus Meeting

Internet2 will provide NetGurus a room to be set in a closed Board style conference seating to support ~30 participants . The meeting will take place the Thursday after the Technology Exchange (October 4-7, 2015) conference concludes. We will have a projector and screen available if needed by participants.

Summary

Location	Cleveland, Oh
Room	Room 22
Date	October 8, 2015
Time	9:00am - 5:00pm

NOTE: Breakfast and lunch are on your own. A morning and afternoon break with snacks and beverages will be provided. We will go to dinner as a group the night before.

Tentative Agenda

Time	Activity
Breakfast	On your own
9:00am	Gurus start
10-10:30am	Break and networking
Noon	Lunch on your own
3-3:30pm	Break and networking
6:00pm***	Gurus and Guests Dinner

***Note that the dinner is on Wednesday night, instead of after the meeting Thursday.

Attendance

Contact Dan Brisson (dbrisson@uvm.edu) or Dan Schmiedt (willys@clemson.edu) to RSVP and for topics you wish to discuss during the meeting. Attendance limit is 30.

Name	Email
Dan Brisson	dbrisson@uvm.edu
Dan Schmiedt	willys@clemson.edu
Michael Van Norman	mvn@ucla.edu
Danny Shue	danny_shue@unc.edu
Jose Dominguez	jad@uoregon.edu
Alan Whinery	whinery@hawaii.edu
John O'Brien	obrienjw@upenn.edu
Alok Vimawala	avimawal@umich.edu
Joe Breen	joe.breen@utah.edu
Kevin Mayeshiro	kmayeshiro@ucdavis.edu
Matt Wilson	mwilson@northwestern.edu
Peter Gutierrez	peterg@nic.umass.edu
Colin Murphy	murphy@umn.edu
Aaron Smith	csmith6@swarthmore.edu

Charles Rumford	charlesr@isc.upenn.edu

JoAnne Martone	joanne.martone@umass.edu
Frank Seesink	frank@wvnet.edu

Discussion Topics and Notes

Topics are submitted by participants. Please contact Dan Brisson (dbrisson@uvm.edu) or Dan Schmiedt (willys@clemson.edu) to add an item to the agenda.

- Campus-scale firewall solutions (products, network designs, governance, operational experience)
- DDoS
- Flow data collection, analysis, visualization, reporting
- Overlay networks and segmentation
- Configuration Orchestration (e.g. Tail-f, Anuta NCX)
- Attribution (802.1x, PacketFence, ARP/ND scraping, etc)
- IPAM
- IPv6 deployment/adoption
- NAT
- Application load-balancing/reverse proxies
- 40 and/or 100Gig Backbone links
- Bro deployment - how people are using it, deployment strategies, etc.
- Elk vs. Splunk
- Enterprise 2fa - desktop/server/host auth practices vs. web app
- TLS/eduroam/on-boarding
- LTE-U

Dinner Options

TBD

Saying Hi to our old friend Jeff Handal:

Dinner time:

Thanks for the Support

Many thanks to our sponsors who have made this meeting possible:

Marie Modrell
Cecelia Dove
Kelly Faro
George Loftus
